INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
The Coweta Community Foundation, Inc.

We have audited the accompanying financial statements of The Coweta Community Foundation, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material aspects, the financial position of The Coweta Community Foundation, Inc., as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

THE COWETA COMMUNITY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015

1. ORGANIZATION

The Coweta Community Foundation, Inc. (“Foundation”) is a nonprofit organization incorporated to enhance the sense of community in Coweta County, Georgia by encouraging philanthropic interaction. The Foundation provides a catalyst to help focus local philanthropy on the community’s changing needs and manages individual gifts and bequests that enhance and support the quality of life in Coweta County. This is accomplished through community programs and projects including: Stepping Stones, a hospital-based early intervention program; and FERST, a community-wide program that provides books for preschoolers.

These financial statement are presented in accordance with accounting principles generally accepted in the United States of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

The Foundation’s net assets and its revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Foundation therein are classified as follows:

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may be met either by actions of the Foundation or the passage of time.

Revenues are reported as increases in unrestricted net assets unless the use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Expirations of temporary restrictions on net assets are reported as reclassifications between the applicable classes of net assets.

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are reported.

THE COWETA COMMUNITY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS – Continued

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

Management of The Coweta Community Foundation, Inc. makes estimates and assumptions related to the reporting of assets and liabilities and the disclosure of contingent assets and liabilities to prepare the financial statements in conformity with GAAP. Actual results could differ from these estimates.

Cash and cash equivalents

The Coweta Community Foundation, Inc. considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude permanently restricted cash and cash equivalents. For the years ended December 31, 2015 and 2014, The Coweta Community Foundation, Inc. had no cash equivalents.

Investments

The Foundation carries investments in marketable securities and investments in debt securities at their fair values. Unrealized gains and losses are included in the change in net assets in the accompanying statements of activities. Gains and losses on temporarily restricted assets are included as increases and decreases of temporarily restricted net assets.

The Foundation commingles restricted cash and investments in accounts with unrestricted cash and investments. These amounts are accounted for separately.

Property and equipment

Fixed assets are stated on the basis of cost. Depreciation is computed over the estimated useful lives of the assets using the straight-line method. Maintenance and repairs are expensed as incurred whereas major renewals and betterments are capitalized. Depreciation expense for the years ended December 31, 2015 and 2014 was \$6,842 and \$5,293, respectively.

Functional allocation of expenses

The Foundation allocates its expenses on a functional basis among its various programs and support services. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income taxes

The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the “IRC”) whereby only unrelated business income, as defined by Section 512(a)(1) of the IRC is subject to federal income tax. The Foundation is also a nonprivate foundation under 509(a)(1) of the IRC. The Foundation had no income from unrelated activities and has no income taxes due as of December 31, 2015 and 2014.

The Foundation’s application of ASC 740 regarding uncertain tax positions had no effect on its financial position as management believes the Foundation has no material unrecognized income tax benefits, including any potential risk of loss of its not-for-profit tax status. The Foundation would account for any potential interest or penalties related to possible future liabilities for unrecognized income tax benefits as income tax expense. The Foundation is no longer subject to examination by federal, state or local tax authorities for periods before 2011.

3. INVESTMENTS

Investments as of December 31, 2015 and 2014 consisted of the following:

	2015	2014
Mutual Funds	\$ 228,964	\$ 10,185
Total	\$ 228,964	\$ 10,185

Total investment related expenses were \$139 and \$418 for the years ended December 31, 2015 and 2014, respectively.

4. FAIR VALUE MEASUREMENTS

The Foundation adopted the provisions of FASB Codification 820-10, Fair Value Measurements, for financial assets and liabilities. Under FASB Codification 820-10, fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, FASB Codification 820-10 establishes a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels. These levels, in order of highest priority to lowest priority, are described as follows:

- Level 1: Quoted prices in active markets for identical assets or liabilities.
- Level 2: Unobservable prices that are based on inputs not quoted on active markets, but corroborated by market data.
- Level 3: Inputs are unobservable inputs for the asset that are supported by little or no market activity and that are significant to the fair value of the underlying asset.

4. FAIR VALUE MEASUREMENTS (Continued)

The following table summarized the Foundation’s financial instruments measured at fair value on a recurring basis in accordance with FASB Codification 820-10 as of December 31, 2015:

6. NET ASSETS

Included in unrestricted net assets at December 31, 2015 and 2014 are donor-advised funds. Although grant recommendations are accepted from donors or other advisors of these funds, the Foundation has variance power: that is, the ultimate discretion of the use of these funds lies with the Board of Directors. Thus, such funds represent unrestricted net assets to the Foundation. However, the intent of the Foundation is to leave the principal intact and use the earnings for programs and projects.

Temporarily restricted net assets are subject to donor-imposed stipulations that may be met either by actions of the Foundation or the passage of time. The restrictions are for the donated assets to be used for specific purposes. These purposes include various fields of interest, scholarships or programs of the Foundation. At December 31, 2015 and 2014, net assets consisted of:
